

FOR IMMEDIATE RELEASE

The Rind & Monger's Provisions

October 24, 2024

Kick off the gift giving season with *Artist & Maker Pop-Up*, a sip-and-shop experience at The Rind on Small Business Saturday

Berkley, Michigan, October 17, 2024 – The Rind, the chic and cozy neighborhood restaurant within Monger's Provisions, is proud to present the first Artist & Maker Pop-Up on Small Business Saturday, November 30, 2024 from 11:00 am to 3:00 pm, at their downtown Berkley location.

The Artist & Maker Pop-Up is an afternoon mini art fair, with a curated selection of handmade artisan goods from four local creative small businesses, including art prints, ceramics, jewelry, paintings, and home goods. The Rind will host a sip-and-shop experience, featuring their innovative farm-to-table dishes that are both decadent and approachable, along with a robust wine selection and craft cocktail bar program.

The event is helmed by Elizabeth Isakson-Dado of the Aquarius House, a Berkley based letterpress printing and stationery studio. The Pop-Up will also feature screen printed artwork from Arsenal Handicraft, vintage lace statement jewelry from White Owl Jewelry, and a collection of paintings and ceramics from Outer Peace by Anusree Sattaluri.

“The feeling of connection is really driving this event,” said Isakson-Dado, who splits her time working at both The Rind and her home art studio, “I’ve found that our Berkley neighbors are excited to engage and support our local businesses. Meeting and connecting to makers during a pop-up is such a fundamental way to share in arts and culture. You’ll get a story to take home with you, and perhaps a holiday gift that is more meaningful after you learn about how it was created.”

The ethos of The Rind and Monger's Provisions is to lift up other small businesses by featuring their products and cooking with their ingredients.

“The Artist & Maker Pop-Up is an extension of the supportive nature fostered by Monger’s and The Rind,” adds Isakson-Dado, “The artists I’ve invited are immensely talented at creating memorable, beautifully crafted work. They’re also led by female entrepreneurs who stand out in their field and foster our creative community. It’s an honor to work with them as we celebrate Small Business Saturday.”

During the event, Monger’s Provisions will be open for shopping and feature a pop-up from Birmingham bakery Death by Pastry. The Rind will be open for lunch and bar service.

Artist & Maker Pop-Up is free and open to the public, and will take place on Small Business Saturday, November 30, 2024 from 11:00 am to 3:00 pm, at The Rind, 3125 12 Mile Rd, Berkley, MI 48072.
